Dear Parent, Guardian, Community Member and Partner:

Communication is key to a successful business. It is important for you to know and understand what the district offers, not only prove that we are a good investment, but also to provide information so you may access a variety of programs and services to solidify our partnership. This parent guide does just that. I encourage you to view this resource as a tool to enhance your child's experiences while in school.

Collectively through our partnership, using the many tools found in this parent guide, we have been able to reach milestones in each of the focus areas of our Strategic plan.

Academic Achievement: With your help, we have increased our performance level to a "B" under the state's accountability system. Our graduation rate, industry certifications, proficiency rates, and learning gains have all increased.

Student Development: To ensure that students are ready to learn, we are focusing on mental health and wellness, engagement and attachment to school, decreasing suspensions, and improving average daily attendance. It is imperative that students feel safe at school so we have gone to great lengths to secure our campuses, implement a district-wide social and emotional learning curriculum, actively respond to possible threats, staff each school with a school resource officer and participate in the Guardian program. New this year, you will encounter a buzzer before being allowed access to school grounds. Please recognize that this is not meant to discourage you, we need you. It is meant to keep our students safe by ensuring everyone on campus has a legitimate purpose to be anywhere near your child. Thank you in advance for understanding.

professional development and training of our staff. It takes all of us working together from the bus driver greeting students as they get on the bus as early as 5:30 am to the custodian locking up campus for the night at 11:00pm. From selecting the right potential employee, on-boarding, providing professional development on instructional practice, customer service, and safety protocol, our goal is to have employees functioning at a high level regardless of the position they occupy. Our employees are equal to the task and without them, our tremendous progress and improvement would not be possible.

Investing in Human Capital: The quality of your experience with us depends upon the qualifications, integrity,

Efficient District Systems: Schools cannot do it alone. All of our departments must work together to support our students. Evidence this is working is signified by our accreditation. Commendations recognized by the accreditation visiting team validates the great work occurring. Likewise, best practices identified that would enhance our educational programs are being implemented within our strategic plan.

Recognizing the awesome trust you place in us by choosing to send your student to Okeechobee County Schools, we will strive to make this the best possible school year yet. If you have any questions about the services in this guide, please contact us so that we may improve student outcomes and reach our mission to prepare ALL students be to be college and career ready and function as productive citizens.

Trusted Educationally,

Ken Kenworthy
Superintendent of Schools

2019-2020 Progress Report and Report Card Schedule

First Nine-Weeks

Wednesday	September	11	Send Progress Reports Home
Friday	October	11	Last day of Nine-Week Grading Period
Tuesday	October	22	Report Card Day (All Schools)

Second Nine-Weeks

Wednesday	November	13	Send Progress Reports Home
Friday	December	20	Last Day of Nine-Week Grading Period
Thursday	January	16	Report Card Day (All Schools)

Third Nine-Weeks

Wednesday	February	12	Send Progress Reports Home
Friday	March	13	Last Day of Nine-Week Grading Period
Tuesday	March	31	Report Card Day (All Schools)

Fourth Nine-Weeks

Wednesday	April	22	Send Progress Reports Home
Thursday	May	28	Last Day of Nine-Week Grading Period
Tuesday	June	23	Report Cards Mailed/Available for Pick-Up at School Elementary
Friday	June	26	Report Cards (Middle Schools, OFC & OHS)

Parent preparation for a successful school year

The following items will help keep you up to date on school activities and ready to respond to the big and little crises your child may have.

- A current school calendar showing holidays, early release days, teacher workdays, and school grading periods (see inside cover of this guide);
- Phone numbers for your child's school and the District Office (see back cover of this guide);
- The Okeechobee County School's Code of Student Conduct which describes what behavior is unacceptable in school and how students are disciplined if they commit a violation;
- School Attendance guidelines;
- Student Progression Plan;
- Skyward Family and Student Access, more information on page 29;
- Information on the Free and Reduced Priced Meals;
- Information on the Florida KidCare Insurance Plan;
- Student Agenda: contain information on the dress code, school rules and an excellent source for parents to communicate daily with teachers.
- The Family Educational Rights and Privacy Act (FERPA) and the Protection of Pupil Rights Amendment (PPRA) printed on pages 4 and 5 of this guide.

This information is distributed and discussed at the start of each school year. Additional copies are available at each school site or may be obtained at <http://www.okee.k12.fl.us/>

Successful Parent-Teacher Conference

A good way to find out how your child is doing in school is through a parent-teacher conference. The teacher may request a conference or you may request a meeting. Listed are some tips for having a successful parent-teacher conference:

- Make a list of questions and concerns you have and write them down.
- Keep track of your child's schoolwork to help you with your questions.
- Listen to what the teacher has to say and ask questions if you do not understand what the teacher is trying to tell you.
- Schedule a follow-up appointment if necessary.
- Try to work with the teacher to help your child; teamwork is the best approach.

Here are some questions to keep in mind:

- Is my child performing at grade level?
- What are my child's strengths and weaknesses in reading, writing, mathematics, science, and social studies?
- How much time should my child be spending on home-work?
- Are my child's assignments being completed correctly and on time?
- Do you have a folder of my child's work? Will you review it with me?
- Does my child get along with the other students?
- Does the school have special programs to meet my child's needs?
- What can I do at home to support what is happening in the classroom?
- What is the best way to keep in touch with you?

Okeechobee County School District

Parent Self-Assessment Checklist

The purpose of the parent checklist is to provide parents with research based information on the types of parental behaviors that tend to promote student achievement. As you read through the questions posed below, see if you are doing all you can do to make your child's education as successful and enjoyable as possible. This survey is intended to stimulate thought and discussion in your home.

Focus on Attitude	YES	NO
Do I continually stress to my child the importance of education and doing one's best in school?		
Do I frequently express to my child my belief in their ability to be successful?		
Am I helpful in setting short and long term goals for my child?		
Do I celebrate with my child when they do well in school?		
Focus on Academics		
Do I support my child's reading with age appropriate home activities?		
Do I provide a consistent time and place to do homework?		
Do I ensure that my child has access to materials needed to complete homework assignments?		
Do I provide a place in my home that is conducive to doing homework?		
Do I follow up to see that the homework is completed and turned in on time?		
Do I regularly discuss and ask to see what my child is doing in school?		
Do I read and sign my child's progress reports and report cards?		
Do I attend "Open House" and "Conference Night" at my child's school?		
Do I attend workshops on helping my child at home?		
Do I encourage my child to do well in school?		
Focus on Behavior		
Do I monitor my child's television/computer/video game viewing?		
Do I encourage my child to accept responsibility for his/her actions?		
Am I aware of the school's Code of Student Conduct?		
Do I reinforce those school expectations?		
Are there appropriate consequences when he/she does not meet those expectations?		
Focus on Building Responsibility		
Do I ensure that my child has a regular routine?		
Do I make sure my child begins his/her day with a healthy breakfast?		
Do I ensure that my child gets a good night's sleep and is well rested each day?		
Do I encourage my child to accept responsibility for his/her actions?		
Do I praise my child when he/she follows through with responsibilities?		
Do I make sure my child attends school each day?		
Do I ensure that my child gets to school on time each day?		
Do I monitor and promote my child's participation in extracurricular and after-school activities?		
Focus on School/Home Connections		
Do I communicate regularly with my child's teacher in person, by e-mail or through writing?		
Do I prepare for and attend teacher conferences or other individualized student meetings concerning my child?		
Do I attend my child's school functions such as: open house, science fairs, plays, musical events, class trips, sporting events, conference nights, or other school activities?		
Do I volunteer in my child's school when possible?		

**For information regarding how you can become even more involved in your child's education contact your child's school.
Thank you for your cooperation and support Okeechobee County Schools:
ACHIEVING EXCELLENCE: PUTTING STUDENTS FIRST.**

Student Records Privacy Rights of Students and Parents

The Family Educational Rights and Privacy Act, 20 U.S.C. 1232g (FERPA), and corollary state law, Section 1002.22, Fla. Statute affords parents and students who have attained 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

The **right of privacy** with respect to the student's education records.

Personally identifiable records or reports of a student, and any personal information contained in those reports, are confidential. The School District of Okeechobee County will not release the education records of a student without the written consent of the eligible student or the student's parent(s) or guardian(s), except to the extent FERPA and state law authorized disclosure without consent.

The **right to inspect and review** the student's education record within 30 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The **right to request the amendment** of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask Okeechobee County School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The **right to consent to disclosures** of personally identifiable information contained in the student's educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health person or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

The Okeechobee County School District will forward educational and disciplinary records to other schools that have requested records and in which the student seeks or intends to enroll (34 CFR §§ 99.7 and 99.34(a)(1)(ii)).

Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

The **right to file a complaint** with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-5920.

Florida Statute, 1002.22, provides that an educational institution may, without authorization from parents, guardians, or eligible students, release "Directory Information". Directory information includes the following:

Student's name, address, telephone listing if not an unlisted number, date and place of birth, a major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent educational institution attended by student, photographs in the school year book and similar information.

U.S. Code 20 U.S.C.S. 7908 requires local educational agencies (LEAs) to provide military recruiters with the name, address, and telephone listing of secondary student.

If any parent, guardian, or student above the age of 18 years objects to the release of such information, he/ she shall make known the objections, in writing, to the Superintendent by September 15th of the school year. The School Board shall release directory information after 30 days public notice has been given.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA) NOTICE

Pursuant to the Protection of Pupil Rights Amendment (PPRA) (20 USC §1232h; 34 CFR Part 98), parents, guardians, or eligible students (over the age of 18 or emancipated) have certain rights pertaining to surveys, the collection and use of information for marketing purposes, and certain physical exams. These rights are as follows:

1. The right to give prior written consent before students are required to submit to surveys concerning protected information (regarding political affiliation or beliefs; mental or psychological problems of the student or student's family, sex behavior or attitudes; illegal, anti-social, self-incriminating, or demeaning behavior; critical appraisal of others with whom survey respondents have close family relationships; legally recognized privileged relationships, such as with lawyers, doctors, or ministers; religious practices, affiliations, or beliefs of the student or parents; or income, other than as required by law to determine program eligibility) if the survey is funded in whole or in part by a program of the U.S. Department of Education.
2. The right to opt a student out of participation in any other protected information survey, regardless of funding.
3. The right to opt a student out of any non-emergency invasive physical exam or screening required as a condition of school attendance administered by the school or its agent, and not necessary to protect the immediate health and safety of a student. The right to opt out does not apply to hearing, vision, scoliosis or body mass index screenings, or any physical exam or screening permitted or required under State law, except on grounds of religious beliefs or physician certifications pursuant to F.S. 1003.22(5).
4. The right to opt a student out of activities involving the collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others, and
5. The right to inspect, upon request and prior to administration or use (a) protected information surveys of students, (b) instruments used to collect personal information from students for any marketing, sales, or distribution purposes, and (c) instructional material used as part of the educational curriculum.

The District will ensure that student privacy is protected in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes.

The District will directly notify parents of their PPRA rights at least annually at the start of each school year and after any substantive changes. The District will also directly notify (including, but not limited to, mail, e-mail, in-person, or by acknowledgement form) parents of students who are scheduled to participate in the specific activities or surveys noted above and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. The District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys and will be provided an opportunity to opt their child out of such activities and surveys and to review any pertinent surveys.

Those who believe their rights have been violated may file a complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, D.C. 20202. If you wish to discuss and try to resolve any PPRA concerns before contacting the Family Policy Compliance Office, you may contact the School Board of Okeechobee County, Director of Student Services (863) 462-5000 ext. 1060.

The Okeechobee Education Records Manual is set forth in District Manual 2.60, Student Education Records. The manual is available for inspection at the District Administration office located at 700 S.W. 2 Avenue, Okeechobee, Florida, during regular office hours Monday—Friday. A copy of the policy may be obtained free of charge, upon request.

School District of Okeechobee County Notification of Social Security Number Collection and Usage

In compliance with Florida Statute 119.071(5), this document serves to notify you of the purpose for the collection of your child's social security number. The Okeechobee County School Board will collect and use your child's social security number only if specifically authorized by law to do so or when it is imperative for the performance of its duties and responsibilities as prescribed by law.

If you have any questions or need further information, please contact the Okeechobee County School Board Office at (863) 462-5000.

A student's social security number may be required for:

State of Florida Bright Futures Scholarship Program
Local scholarship applications (Take Stock in Children, etc.)
Verification of Income Eligibility for Federal Free and Reduced Lunches
Medicaid Reimbursement
General Educational Development (GED) Application
Social Security Income Verification and Assistance
Developmental Services
Data tracking for the Florida Education and Training Placement Program
Managing Student Records in the Automated Student Database
Matching of records between the Florida Department of Education and the Kindergarten screening data for Voluntary Pre-Kindergarten Provider Readiness Rate
Reporting Excessive Absences to the Department of Motor Vehicles
Documents and Reports for the Department of Juvenile Justice and law enforcement agencies as required
The Florida Department of Health as required
Forwarding records requests to other school districts where the student seeks to enroll or to request records of past attendance
Dual Enrollment in college courses
Other purposes specifically required or authorized by local, state or federal law

Consider perfect attendance...only 180 days of school each year!

School attendance is the responsibility of the parent and student. Since there is a strong relationship between attendance and academic performance, it is important that parents take an active role in working with the school to ensure their child's attendance on a daily basis. State law requires that all students between the ages of six and eighteen attend school regularly. Failure to comply with this law could result in the arrest of the parent or legal guardian responsible for the child.

Absences are classified as *excused* or *unexcused*. School Board policy lists the reasons for which an absence may be excused.

Excused Absences:

- Illness or injury of the student
- Illness or injury to the student's immediate family necessitating the student's absence
- Death to a member of the student's family necessitating the student's absence
- Recognized religious holidays of the specific faith of a student
- Doctor and dental appointments of the student
- Pre-arranged absences of educational value and with the principal's approval
- Subpoena or forced absence by any law enforcement agency
- Major disaster that would justify absence in the judgment of the administration
- Head lice, a maximum of two days per incident

It is the responsibility of the parent or guardian to provide written or oral notification indicating the reason for the absences within two (3) days of the student's return to school.

Unexcused Absences:

- Any absence which is not justified by the parent or guardian or for which the reason is unknown
- Not attending class while on a school campus (skipping)
- In grades K-8, an accumulation of five unexcused tardies/early checkouts will convert to an unexcused absence. These absences are considered when calculating absences towards truancy. In addition, these absences are considered when awarding perfect attendance.
- Final determination on whether an absence is excused or unexcused is the responsibility of the principal

Absences of Students Grade 9 –12

- Minors between 14 and 18 years of age who accumulate 15 unexcused absences in any 90-calendar-day period, will not be issued a learner's permit or will have their driver's license suspended.

Ready to start school?

Please contact the administration office of the school you are zoned for based on your permanent home address. If you are uncertain of the school you are zoned for, you may contact the Director of Student Services, at (863) 462-5000 Ext. 1060, to get that information. To enroll your child in school you must complete a registration packet provided by the school. The packet includes questions regarding your demographic information, requires proof of address and a copy of previous schooling information. In addition, before admitting a child to kindergarten, the principal shall require evidence that the child has attained the age at which he or she should be admitted in accordance with the provisions of subparagraph Florida Statute 1003.21 (1)(a)2. The district school superintendent may require evidence of the age of any child whom he or she believes to be within the limits of compulsory attendance as provided for by law. If the first prescribed evidence is not available, the next evidence obtainable as listed in (4) (a-g) will be required.

The school district has a policy to provide for appropriate screening of its students for scoliosis at the proper age.

Immunization Requirements

Each child entering a Florida public or private school must present or have on file at the school, a Florida Certification of Immunization (Department of Health Form 680, copies are not accepted). Immunizations must be valid and up-to-date for age and grade level as required by the State of Florida. The following is a summary of these requirements.

Public/Non-Public Schools Kindergarten through 12th Grade:

- Four or five doses of diphtheria-tetanus-pertussis (DTaP) vaccine
- Two or three doses of hepatitis B (Hep B) vaccine
- Three, four, or five doses of IPV (with at least one dose of polio vaccine administered after the 4th birthday)
- Two doses of measles-mumps-rubella (MMR) vaccine
- Two doses of Varicella* for grades 2-11, one dose of Varicella for grade 12 only (for 2019-20 school year)
- Two doses of Varicella for K-12 for 2020-2021 school year and thereafter
- *Varicella vaccine is not required if there is a history of varicella documented by the healthcare provider.

Seventh Grade Requirement:

In addition to compliance with all other required immunizations, children entering, attending, or transferring to the seventh, eighth, or ninth grade in Florida schools must complete the following:

- One dose of tetanus-diphtheria-pertussis (Tdap) vaccine

The original Florida Certification of Immunization (DH 680, copies are not accepted) must be used to document immunization requirements for admittance through grade 12.

This form must be completed with the child's name, date of birth, parents/guardians name, the name of the physician or clinic, physician or clinic address and the signature of physician or the authorized designee. Handwritten physician signatures will not be accepted as this form must be electronically certified. This form must show that the child is up-to-date with the required immunizations. Handwritten dates for required immunizations will not be accepted. Any student transferring from another Florida school may be given a 30-day temporary exemption until the certification of immunization can be obtained from the previous school. If the record cannot be obtained from the previous school within this time frame, it is the parent's responsibility to provide such a copy. Any student from out-of-state must present an up-to-date Form 680 at time of enrollment. If you have any questions, please call the Okeechobee County Health Department at (863) 462-5792.

School Physical Exam:

Each child who is entitled to admittance to pre-kindergarten or kindergarten, or is entitled to any other initial entrance into a public or non-public school in the state of Florida, must present a certification of a school entry physical examination performed within one year (12 months) prior to enrollment in school.

Any student transferring from another school in the United States may be given a 30-day temporary exemption until the certification of a school entry physical examination can be obtained from the previous school. If the record cannot be obtained from the previous school within this time frame, it is the parent's responsibility to provide such a copy. Any student from out-of-state must present an up-to-date Form 680 at time of enrollment.

If you have any questions, please call the Okeechobee County Health Department at (863) 462-5792.

Okeechobee County School District NON-DISCRIMINATION NOTICE

The School District of Okeechobee County has adopted Board Policy 6.43, Unlawful Discrimination Prohibited. No person shall, on the basis of race, color, religion, gender, pregnancy, age, national or ethnic origin, genetic information, political beliefs, marital status, sexual orientation, gender identity, disability, if otherwise qualified, social and family background or on the basis of the use of a language other than English by Limited English Proficiency (LEP) students, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity, or in any employment conditions or practices conducted by this School District, except as provided by law.

The School District of Okeechobee County shall comply with all federal and state laws which include the Title II of the Americans with Disabilities Act of 1990, as amended by the ADA Amendments Act of 2008 (ADAAA), Title IX, Section 504, Florida Education Equity Act, Age Discrimination in Employment Act (ADEA), Genetic Information Non-Discrimination Act of 2008 (GINA), and the Boy Scouts of America Equal Access Act.

Any employee, student, applicant for admissions, or applicant for employment who believes he/she has been discriminated against or has been harassed by another employee, student, or third party is encouraged to use the Equity Plan Grievance Procedure for filing complaints. Complaints may be filed with the principal or immediate supervisor, District Equity Coordinator/Director of Human Resources or the Superintendent.

Prohibición de discriminación

Ninguna persona será discriminada en base a su raza, color, religión, sexo, embarazo, edad, origen de su nacionalidad, información genética, creencias políticas, estado civil, orientación sexual, identidad de género, discapacidad, ni por sus antecedentes sociales y familiares, o en base al uso de otro lenguaje, además del idioma Inglés, o por ser estudiantes identificados como LEP (aprendices del idioma Inglés), no se les debe de excluir de participar o negárseles beneficios, o ser sujetos a discriminación en ningún programa o actividad educativa, o en ningún empleo o prácticas realizadas por este Distrito Escolar, salvo lo dispuesto por la ley. (Junta Directiva 6.43). Todos los programas de Educación Profesional y Técnica tienen la inscripción abierta y todos los estudiantes son elegibles para solicitar estos cursos.

La Junta Escolar deberá de cumplir con todos los derechos federales y del estado incluyendo el Decreto de 1990 sobre Americanos Discapacitados (siglas en Inglés-ADA), Title IX, Section 504, Florida Education Equity Act, Age Discrimination in Employment Act (ADEA), Genetic Information Non-Discrimination Act of 2008 (GINA), and the Boy Scouts of America Equal Access Act.

Cualquier empleado, estudiante, aspirante del ingreso o aspirante del empleo que alegue haber sido discriminado u acosado por cualquier grupo (otro empleado, estudiante o persona), podrá llevar su queja directamente al/la director/a, supervisor, Coordinator de Justicia del Distrito, o Superintendente del Distrito.

Rules for School Bus Riders:

(The Code of Conduct applies in the bus as well as in the classroom.)

At the bus stop: Students and parents are responsible for safety and proper student behavior.

- Students must stand at least 10 feet back from the roadway while waiting.
- Students must respect other people's property.
- Students must not push, shove, or engage in horseplay.
- Students must arrive at the bus stop at least five minutes prior to the scheduled pickup time.
- Students must wait for and get off the bus only at approved stop locations.
- Parents should supervise children at the stop.

During loading and unloading: Always stay away from the 10 foot "danger zone" around the bus, except when you are directed by the driver.

- NEVER pick up an object that you drop under or near the bus. Ask the driver for help.
- Always make sure the driver can see you, never walk behind the bus.
- Make sure clothing and backpacks have no loose drawstrings or long straps that could catch in the handrail or bus door.
- When you see the bus coming, stand at the stop and wait for the bus to come to a complete stop.
- Always wait for the driver to signal that it is safe to cross the road and/or load into the bus.
- When crossing a traffic lane, always look left, right, then left again; cross only if approaching traffic has stopped.
- Only board your assigned bus, unless other arrangements are approved by your school.
- Never approach a moving bus.

During the bus ride: Always follow the driver's directions.

- Never distract the driver unless there is immediate danger to you or others.
- Remain seated with your seat belt fastened, keep the aisles clear, always keep your arms, legs, and head inside the bus.
- Eating, drinking, and chewing gum are prohibited unless an exception has been approved for a trip approved by the Superintendent or designee.
- Never bring unauthorized items into the bus.
- Always wear your seat belt when one is available.
- Always show respect for your fellow students and bus driver.
- Keep conversation at a reasonable level and remain quiet at railroad crossings.

Tips for Walking and Biking Safely:

Walking: Walk with an adult or responsible older child at all times.

- Children under 10 years old should cross the street only with an adult or when directed by a bus driver.
- Walk on the sidewalk if there is one.
- Walk facing the traffic, as far from the road/traffic as possible, if no sidewalk is available.
- Use traffic signals and marked crosswalks if available.
- Stop at the curb or edge of the road and look left, right and left for traffic before crossing the street.
- Walk; don't run.
- Give drivers time to see you before crossing the street.
- Keep looking for cars while you are crossing.
- Wear white clothing or reflectors when walking in the dark or in low light.

Biking: (Riders must follow Florida Traffic Laws.) Always wear a helmet that is properly fitted.

- Whenever possible, ride with an adult or responsible older student.
- Always obey all traffic signs and signals.
- Ride on the right side of the road or trail in a single file (one bicycle behind another).
- Ride in the same direction as other vehicles. Go straight across railroad tracks.
- Always use proper hand signals when turning and stopping.
- Yield to pedestrians and alert them with a bicycle bell or your voice when passing.

Protecting Children from Sexual Offenders and Predators:

Talk to your children about following these tips:

- Stay away from an unfamiliar person who is trying to trick you or force you to go with him or her.
- Let your parents and other trusted adults know about any suspicious person or situations.
- Learn to describe people and vehicles.
- Know where to run and how to forcibly resist capture.
- Scream to be seen and to scare a stranger away.
- Stay with a buddy, a group, or parents at the bus stop.
- Report anyone hanging around or passing by regularly.
- Walk or bike along a route that your parents have determined is safe.
- Lock the door and never tell callers you are home alone.

Right To Know Qualifications of Teachers

The Okeechobee County School Board is committed to providing information to you regarding your child's teacher and paraprofessional qualifications in a timely manner upon request.

At any time, you may ask:

- If the teacher meets state qualifications and certification requirements for the grade level and subject he/she is teaching
- If the teacher has received an emergency or conditional certificate through which state qualifications were waived
- What undergraduate or graduate degrees the teacher holds, and major(s) or area(s) of concentration
- Whether your child receives help from a paraprofessional, and if so, his/her qualifications The Every Student Succeeds Act (ESSA), signed into law in December 2015, contains additional parent right to know requests, including:
- Information on policies regarding student participation in assessments and procedures for opting out
- Information on required assessments including: Subject matter tested, Purpose of the test, Source of the requirement (if applicable), Amount of time it takes students to complete the test, Time and format of distributing results.

All of the above information can be requested through your school principal.

Bus Pass Procedure (School Board Policy 8.21)

All requests for use of an ongoing alternate bus stop location must be given in writing to the school annually. The alternate bus stop must be in the same attendance zone and the alternate stop will replace the home stop. Students will not be transported to different stops on different days of the week. For example, a parent may arrange for a student to be bused to the nearest existing bus stop to their work location or a sitter's home (assuming it is within the attendance zone of the school). The student will not be bused to that alternate stop on some days and directly to home on other days. If circumstances change (for example, due to a job change), a new request may be submitted. However, serial requests will not be considered.

We accept checks with your:

- ♦ FULL NAME
- ♦ STREET ADDRESS (No PO Box)
- ♦ HOME PHONE # (w/Area Code)
- ♦ SECONDARY PHONE # (w/Area Code)
- ♦ DRIVER'S LICENSE (w/State)

PLEASE NOTE

If your check is dishonored by the bank, a service fee will be assessed in accordance to state law and federal guidelines. In providing a check as payment, you authorize electronic representation if your check should return unpaid. Also, you authorize service charges and processing fees, as determined by law, to be debited (at our option) from the same account via paper draft or electronic funds transfer.

www.EnvisionPayments.com

Promotion Requirements

The promotion requirements for students in Okeechobee public schools can be found in detailed form in the Okeechobee County School District *Student Progression Plan*.

Elementary School (grades K-5)

- Students shall demonstrate satisfactory progress in reading and mathematics as measured by state assessments and locally determined criteria.
- Third Grade – To emphasize the importance of being able to read on grade level by the end of third grade, the State of Florida has mandated that any third grade student who scores Level 1 on the reading portion of FSA must be retained unless he/she meets the criteria for Good Cause Promotion.

Middle School (grades 6-8)

Promotion decisions for middle school students are based on the following considerations:

- The student must pass 5 out of 6 courses. In order to pass a course the student must earn a passing grade in three of the four grading periods.
- Final promotion decisions shall be made by the principal.

To be promoted from middle school a student must successfully complete:

- 3 middle school or higher, year-long courses in English (1 successfully completed course in reading may be substituted for an English course that the student has taken but not passed);
- 3 middle school or higher, year-long courses in Mathematics;
- 3 middle school or higher, year-long courses in Science;
- 3 middle school or higher, year-long courses in Social Studies including a semester-long or year-long course in Civics;

High School (grades 9-12)

- At the high school level promotion to the next grade level is dependent upon a student earning the required number of credits.

Required Credits:

	(24 Credit Option)		(18 Credit Option)	
	End of Academic-Year	Mid-Year*	End of Academic Year	Mid-Year*
Total credits to graduate	24**	24**	18	
Credits to become a Senior	17	20.5	13	15.5
Credits to become a Junior	11	13.5	8	8.5
Credits to become a Sophomore	5	7.5	5	6

*Students may apply for mid-year promotions when they meet the above credit requirements at the end of the first semester of school.

**Accelerated Options require less than 24 credits. More information about this option in the high school section pages 33 through 37.

Note: A student selecting an 18 credit, three year plan must have 15 credits by the end of the first semester of the third year to become a senior.

Testing Requirements

The Florida Standards Assessments, which measure student success with the Florida Standards, include assessments in English language arts (grades 3-10), mathematics (grades 3-8), and end-of-course assessments for Algebra 1 and Geometry. -- The End-of-Course Assessments are computer-based tests designed to measure student achievement of the specified standards for middle- and high-school level courses in science (Biology 1), social studies (Civics and U.S. History), and mathematics (Algebra 1 and Geometry).

- The statewide science assessment measures student success with the Next Generation Sunshine State Standards and includes assessments in grades 5 and 8.

All students must participate in the statewide assessments for the course(s) in which he/she is enrolled. For more information on state assessments and the Credit Acceleration Program (CAP) go to <http://www.fldoe.org/accountability/assessments/k-12-student-assessment>, or for high school graduation testing requirements go to <http://www.fldoe.org/academics/graduation-requirements>.

Student Progression

Each student's progression from one grade to another is determined, in part, by proficiency in reading, writing, science, and mathematics. The Okeechobee County School Board has established the following comprehensive program for student progression:

- Evidence of a student's performance will be reflected by grades assigned in accordance with the district adopted grading policy.
- Students who score below **level 3** in English Language Arts and mathematics on statewide assessments are considered for remediation.
- Appropriate alternative placement for a student who has been retained 2 or more years.
- A copy of the Student Progression Plan can be obtained at <http://www.okee.k12.fl.us/>.

Reporting of Academic Progress

- Progress reports are issued at the mid-point of each grading period.
 - Report Cards are distributed at the end of each grading period.
 - Kindergarten students will receive a grade of E, S, N, or U in English Language Arts, mathematics, science, social studies, and physical education.
 - Students in grades one and two will receive grades A-F in English Language Arts and mathematics. They will receive grades of E, S, N, or U in science, social studies, and S, N or U in P.E.
 - Students in grades three through five will receive grades A-F in English Language Arts, mathematics, science, and social studies. They will receive grades of S, N, or U in physical education.
 - Students in grades six through twelve will receive grades A-F in all subjects.
- All students will receive grades of S, N, or U in conduct.

A = 90 – 100%	A = Excellent Progress	E = Excellent
B = 80 – 89%	B = Above Average Progress	S = Satisfactory
C = 70 - 79%	C = Satisfactory Progress	
D = 60 – 69%	D = Lowest Acceptable Progress	N = Needs Improvement
F = 0 - 59%	F = Unsatisfactory Progress	U = Unsatisfactory
I = 0%	I = Incomplete	
	NA = Not Applicable this period

Learning the basics of Internet safety

- Children use a variety of online services, and each of these services can have different safety concerns.
- However, there are some basic tips which you can employ no matter how your children use the Internet.

- Keep the computer in a high-traffic area of your home.
- Establish limits for which online sites children may visit and for how long.
- Remember that Internet technology can be mobile, and make sure to monitor cell phones, gaming devices, and lap-tops.
- Surf the Internet with your children and let them show you what they like to do online.
- Know who is connecting with your children online and set rules for social networking, instant messaging, e-mailing, online gaming, and using webcams.
- Continually dialogue with your children about online safety.

Start a discussion with your child

- What are your favorite things to do online?
 - What is personal information? Why should you keep it private?
 - What could you do to be safer online?
 - What would you do if anyone online asked to meet you face-to-face?
 - Besides me, who do you feel that you can talk to if you are in a scary or uncomfortable situation
- Great resource for both parents and students

May 2020	Advanced Placement (AP) Exams

Tutorial Programs

Each elementary school has tutorial services for designated grades. These are designed to meet the individual needs of students. Call your school's counselor for information.

Tutorial services are available at Osceola Middle School and Yearling Middle School. Afternoon tutoring is provided at the Freshman Campus and Okeechobee High School. Tutoring can involve computer-assisted instruction as well as individual instruction.

The Freshman Campus and Okeechobee High School have academic after-school programs provided by the Migrant Education Program and Title III.

Academic Support Services personnel at the Dixon-Hendry Campus of Indian River State College provide tutoring for students in grades 9 - 12. High school students can come to the Academic Support Center, Room B-130, after high school hours for tutoring.

FloridaStudents.org is a collection of resources including tutorials created by Florida teachers and other resources located from all over the web to support student learning.

For complete details and hours, please call IRSC (863) 824-6009.

After-School Elementary Childcare Program

Childcare programs are offered at North, South and Central Elementary for students Pre K-5 grade. Students from Seminole can be shuttled to North and students from Everglades can be shuttled to Central to participate in the program. The Childcare Program offers an after-school snack, homework time, group craft or outdoor activities. Students must be picked up by 5:45 p.m. Enrollment packages are available in all elementary school offices. For more information on this program, call (863) 462-5000 Ext. 1066.

Student Counseling and Academic Advisement

Counseling Service is provided at all school sites during the school day for the following purposes:

- Academic Counseling
- Scheduling of Courses
- Career Information
- Personal Situations

Parents can schedule conferences with teachers by calling the Counselor's Office at their child's school.

McKinney-Vento

The Federal McKinney-Vento Homeless Assistance Act states that children and youth who lack a fixed, regular, and adequate nighttime residence are considered homeless. If, due to a loss of housing, a child must live in a shelter, motel, vehicle, or campground, on the street, in abandoned buildings, or doubled-up with relatives or friends, then he/she is eligible to receive services provided under the McKinney-Vento Act. The McKinney-Vento Education for Homeless Children and Youth Program is designed to address the problems that homeless children and youth have faced in enrolling, attending, and succeeding in school. Under this program, state educational agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youth. If you are experiencing homelessness, please notify your child's school counselor or 462-5000 Ext. 1066.

Opportunities for Parent Participation

Serving on School Advisory Councils

Parents are notified through the school newsletter regarding School Advisory Council meetings. All schools have an Advisory Council composed of a balanced number of parents, students, business/community representatives, school board employees, and the school's principal. The Advisory Council works toward achieving the School Improvement Plan goals which are based on the State Education Goals. Lottery funds are distributed to the schools for the Advisory Council to use toward fulfilling those goals. Call your child's school for more information.

Becoming a School Volunteer

Volunteers are vital to any school's staff. Some serve in the following capacities: classroom volunteers, clerical assistants, community resources, computer assistants, media assistants, and business partners. All volunteers are required to complete an application form which includes references and preferences as to areas in which they wish to volunteer. If you would like to volunteer contact the District

Coordinator at (863) 462-5000 Ext. 1061. Contacts at school sites will be the Assistant Principals.

Parent/Teacher Meetings

Contact your child's school to see when the next Parent Teacher

Organization (PTO) meeting will be held.

Parents of ELL Students

Parents/guardians of ELL students are encouraged to participate in our District Parent Leadership Council. For more information on our ELL program contact 462-5000, Ext. 1060.

Services Available for Parents

It has been proven that when parents are actively involved in their children's education, children perform better in school. You are just as important as your child's teacher in helping your child receive a good education. You can make a big difference just by being a part of your child's everyday school experience. All schools have agenda books, websites and newsletters to provide communication to parents.

"Mentoring Works!" "The number one indicator of success for a child is a good relationship with a caring adult." More people fail in life for lack of encouragement than for any other reason. Mentors assist students with goal setting, educational planning, career planning, and by supporting student success. Please call (863) 462-5000 and ask for our mentor coordinator.

Big Brothers Big Sisters of Okeechobee County provides reading mentors at North, Seminole and Everglades Elementary School. Children are matched with a "Big" and work to build a book-centered relationship focused on improving reading skills to K-3 graders. Referrals for this program must be made through the child's teacher. For more information on Big Brothers Big Sisters call (863) 824-2227.

AmeriCorps St Lucie, Indian River & Okeechobee Reads is a mentoring program that recruits members of the community and trains them in the art of reading tutoring. The tutors receive 100 hours of training and are then placed in Central or Seminole Elementary School. The selected schools refer K - 3 students who are below grade level in reading for intensive tutoring. AmeriCorps is a National and Community Service Program in which members commit to serving a minimum of 450 or 900 hours of service over an eleven month period. In return, they receive a modest living allowance and, upon successful

completion of their term of service, an educational award that can be applied to furthering their education or paying down student loans. For more information on AmeriCorps, call

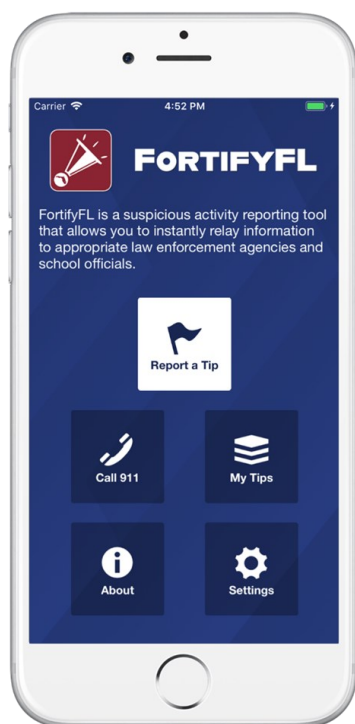

Take Stock in Children program provides four-year college tuition scholarships to at-risk, low-income students in Okeechobee County. The students are selected during the ninth grade. Individual mentors are assigned to scholarship recipients. Parents interested in application, mentoring, or other program information, should call Indian River State College Foundation. (772) 462-4786.

Family Literacy Services: Each elementary school has general meetings to address literacy. Individual grade meetings are also organized for different school sites.

The Okeechobee County Public Library also works with family literacy by providing academic and enrichment programs for children and families (863) 763-3536.

FAU-Center for Autism and Related Disabilities (CARD)
FAU CARD is a community based program providing assistance and supports to children and adults with autism spectrum disorder and related disabilities, their families, the professionals serving them, and the community. FAU CARD was established by the Florida Legislature, and is funded by the Florida Department of Education to provide assistance with; early identification of autism, referrals to therapeutic interventions, trainings to decrease difficult behaviors and increase communication and social skills, transitioning to employment, and information about supplemental funding supports. Registered clients receive individualized attention to meet specific needs. All services are free. Contact your Okeechobee Clinical Specialist (772) 873-3422

FORTIFYFL

The Brahman Way

FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials.

As Brahmans, we will:

- * Model the pillars of P.R.I.D.E
- * Create a community of graduates and life-long learners
- * Live as the example we want to see in others
- * Build a supportive campus environment to grow as a Brahman family
 - * Be of service to those in need, on and off campus
 - Move Forward and Be Great

Functional behavioral Assessments	Behavior intervention plans
Services for Students and Families	
Family engagement activities	Employment of district social worker
Licensed mental health counseling at all schools	Management of a System of Care grant through Southeast Florida Behavioral Health Network
Shared Services Network access to services	Designated Gold level healthy school district

Florida State Standards

On January 31, Governor Ron DeSantis issued Executive Order 19-32, outlining a path for Florida to improve its education system by eliminating Common Core and paving the way for Florida students to receive a world-class education to prepare them for jobs of the future.

Executive Order 19-32 directs Florida Department of Education Commissioner Richard Corcoran to comprehensively review the academic standards for Florida's Kindergarten through grade twelve students and provide recommended revisions to Governor DeSantis. The recommendations shall:

- Articulate how Florida will eliminate Common Core (Florida Standards) and ensure we return to the basics of reading, writing and arithmetic;
 - Provide a roadmap to make Florida's standards number one in the nation;
 - Reflect Florida Department of Education Commissioner Richard Corcoran's consultation with relevant stakeholders to include parents and teachers;
 - Deem how to increase the quality of instructional curriculum;
 - Suggest innovative ways to streamline testing;
 - Identify opportunities to equip high school graduates with sufficient knowledge of America's civics, particularly the principles reflected in the United States Constitution, so as to be capable of discharging the responsibilities associated with American citizenship; and
- Outline a pathway for Florida to be the most literate state in the nation.

To participate in the review of Florida Standards go to: <https://www.floridastandardsreview.org/>
CPALMS is the State of Florida's official source for standards. All standards for every subject area and grade level can be found here: <http://www.cpalms.org/Public/search/Resource>

MIDDLE SCHOOL

To be promoted from middle school a student must successfully complete:

- 3 middle school or higher, year-long courses in English (1 successfully completed course in reading may be substituted for an English course that the student has taken but not passed);
- 3 middle school or higher, year-long courses in Mathematics;
- 3 middle school or higher, year-long courses in Science;
- 3 middle school or higher, year-long courses in Social Studies (beginning with those students entering 6th grade in 2012-13, those students must have a semester-long or year-long course in Civics)
- A Career and Education Planning Course that may be taught in 6th, 7th, or 8th grade and must result in a completed personalized academic and career plan for the students and emphasize technology or the application of technology in career fields.

A student who scores at level 1 on the ELA portion of the FSA will be offered an intensive reading course. Level 2 readers will receive an intensive reading course or a course in which reading strategies are delivered. Middle school students scoring at level 1 or 2 on FSA Mathematics will be offered remediation the following year.

In addition students will be able to take classes in music, physical education, agriculture, art, and technology. These courses are semester-length courses.

Any deviation from the course of study for middle school students must be approved by the Principal.

Academically Challenging Curriculum to Enhance Learning (ACCEL) Options

ACCEL options are educational options that provide academically challenging curriculum or accelerated instruction to eligible students in kindergarten through grade 12. Options available to students may vary by school and by level (elementary, middle school, high school) and include whole-grade and mid-year promotion, subject-matter acceleration, virtual instruction in higher grade-level subjects, Credit Acceleration Program. Additional options that may be available at a school are enriched science, technology, engineering, and mathematics (STEM) coursework; enrichment programs; flexible grouping; advanced academic courses; combined classes; self-paced instruction; curriculum compacting; advanced –content instruction; and telescoping curriculum. Please contact your child's school to learn more about ACCEL options.

The student information system for Okeechobee County Schools is Skyward.

Family and Student Access

Part of this system is a Family Access portal. Through this portal, parents are able to check their student(s) grades, assignments, attendance, and other student information. In order to receive your login and password information, you must go to the school that your child attends and present an ID. If you have children in more than one school, you need only go to one of the schools. The login and password can not be mailed or given over the phone. Only guardians listed within our system will be able to receive this information. The link to access the Family Access portal can be found on our county webpage. <http://www.okee.k12.fl.us>. Please just look for "Skyward Family Access" under QUICK LINKS on the main page.

Improving the Academic Achievement of the Disadvantaged

- Five elementary schools, Yearling Middle School, Osceola Middle School and Okeechobee Achievement Academy are school wide projects.
- Provides supplemental materials and personnel at Title I schools including Reading Coach positions and paraprofessionals to support effective instruction and student learning.

Title I, Part C

Education of Migratory Children

- Serves approximately 650 children at all ten school sites
- Migrant Advocates services are available at all schools for all Migrant students and families
- Before/after-school tutorial available at secondary schools (Middle and High School)
- Middle School STEM programs to focus on the areas of Math and Science
- Migrant Summer Camp opportunities: Reading & Math for grades K-8, Middle School STEM, PASS Credit Retrieval for high school Migrant students, Migrant Theater Camp for grades 3-12
- English classes are available for Migrant parents. For more information, call 863-462-5000 Ext. 1066

Title I, Part D

Delinquent & At-Risk Youth Programs

- Provides supplemental services for students in three Juvenile Justice facilities in Okeechobee County and paraprofessional to support student learning at Okeechobee Achievement Academy.

Title III

Supplemental Instructional Support for English Language Learners

- Program designed to help ensure that children who are limited English proficient attain English proficiency, develop high levels of academic achievement and meet the same challenging state academic content and achievement standards as all children.
- For more information, contact the Office of Student Services at 462-5000 Ext. 1060.

Title IV

Student Support and Academic Enrichment (SSAE)

- The purpose of Student Support and Academic Enrichment is to improve student academic achievement by increasing the capacity of state and local educational agencies in the following areas by:
 - Providing all students with access to a well-rounded education
 - Improving school conditions for student learnings to support safe and healthy students, and
 - Improving the use of technology in order to advance digital literacy of all students.

Title I, Part A School Improvement Grant (SIG), 1003(a)

- This for use in Florida's persistently lowest-performing schools that demonstrate the greatest need for the funds and the strongest commitment to use the funds to provide adequate resources in order to raise substantially the achievement of their students so as to enable the schools to make adequate yearly progress and exit improvement status.

McKinney-Vento

The Federal McKinney-Vento Homeless Assistance Act states that children and youth who lack a fixed, regular, and adequate nighttime residence are considered homeless.

For more information, contact the Office of Grants & Special Programs at (863) 462-5000 ext. 1066

HIGH SCHOOL

High School includes grades 9 – 12 and is designed to prepare students to meet the challenges of adulthood by developing their academic, leadership, and citizenship skills. At the high school level, students start making choices about the design of their academic programs. They are able to customize their course of study with a career in mind, or may choose to take a variety of electives in order to help them make a decision about their future career path. For those students who choose to attend college after graduation, the increased rigor of the academic classes will help to prepare them for a less restrictive more self-directed study environment.

- **Okeechobee High School/Freshman Campus** serves only ninth graders. OFC's main building is the result of a historical renovation of the original Okeechobee High School building.
- **Okeechobee High School**, home of the Brahmans, serves tenth through twelfth graders.
- **Okeechobee Achievement Academy** serves students in need of additional support.

Instructional Levels

At each secondary grade level from 8th through 12th grades, there are established optional instructional program levels within the subject areas. These instructional levels are identified in the Florida Course Code Directory. Students are assigned to the levels based on individual evaluation of the student's academic achievement level. If the student is performing below grade level they will be assigned to a remedial class. If they are prepared to experience a more rigorous academic opportunity they may be scheduled into an honors curriculum.

At the high school level, if your child's *cumulative grade point average* falls below 2.5 on a 4.0 scale you will be notified that your child is at risk of not meeting the graduation standards and a conference will be suggested.

Students who score at Level 1 on the ELA portion of the FSA will be offered an intensive reading course the following year. Level 2 readers will be offered an intensive reading course or a content area course in which reading strategies are delivered. High school students scoring at Level 1 or Level 2 on FSA Mathematics will be offered remediation the following year.

Exit Interview of Students

Florida statute requires the student's counselor or other school personnel to conduct an exit interview with the student to determine the reasons for the student's decision to drop out of school and what actions could be taken to keep the student in school. The student must be informed of the opportunities to continue his or her education in a different environment, including, but not limited to, adult education and GED test preparation. Additionally, the student must complete a survey in the format prescribed by the DOE to provide data on student reasons for terminating enrollment and actions taken by schools to keep students enrolled.

GRADUATION

GRADUATION REQUIREMENTS.

In order to graduate a student must meet the following conditions:

1. Earn a cumulative 2.0 GPA on a 4.0 scale.
2. Earn a passing score on the 10th grade FSA Reading and FSA Math or an acceptable concordant score on ACT, SAT or PERT.
3. Earn credits in the courses required by one of the graduation plans listed below that has been selected by the student.

Standard High School Diploma Plan (4 year plan) – 24 credits

Accelerated College Preparatory Diploma Plan (3 year plan) – 18 credits

Accelerated Career Preparatory Diploma Plan (3 year plan) – 18 credits

EARLY GRADUATION

Students who complete a minimum of 24 credits, achieve a cumulative grade point average of 2.0 on a 4.0 scale and earn a passing score on the statewide assessments required for high school have an option to graduate in fewer than eight semesters (four years). A student who graduates from high school midyear may receive an initial Bright Futures Scholarship award during the spring term following the student's graduation, as long as the student applies for the scholarship award no later than August 31 of the student's graduation year.

EXTRA-CURRICULAR ACTIVITIES (including Athletics and Band)

Students who want to participate in an extra-curricular program must practice good self-control and good citizenship. In order to maintain eligibility a student must earn a 2.0 cumulative GPA and receive not more than 2 failing grades each grading period

POST-HIGH SCHOOL EXPERIENCE.

It is the goal of the Okeechobee County School System that each graduate is prepared to enter some post-secondary institution or the workforce upon graduation. This may include any university, community college, vocational institution, technical institution, internship program, the military, or a job-training program. In order to enter a college a student must submit ACT or SAT scores that meet minimum requirements. In order to take advantage of these experiences the student may be required or advised to take one or more of the following standardized tests:

American College Testing Program (ACT) – This test is used for college admission and is designed to measure classroom achievement in four areas: English, mathematics, reading, and science.

Armed Services Vocational Aptitude Battery (ASVAB) - Is a test which identifies a student's skills and competencies in preparing for the workforce.

Postsecondary College Readiness Test (PERT) - 10th and 11th graders - A test administered to assess their basic computation and communication skills in preparation for their entry into a degree program at a state college or university. The test includes Reading, Writing, and basic Mathematics sections.

Pre-Scholastic Aptitude Test (PSAT) – designed for sophomores or juniors (and designated freshman). It can be used as practice for the SAT, which the student will take the following year. In the 11th grade it is used to determine which students will participate in the National Merit Scholarship Program.

Scholastic Aptitude Test (SAT) – This test is used for college admission and is designed to measure general verbal and mathematical abilities.

Standard Diploma Requirements

Academic Advisement – What Students and Parents Need to Know

What are the diploma options?

Students must successfully complete one of the following diploma options:

- 24-credit standard diploma
- 18-credit Academically Challenging Curriculum to Enhance Learning (ACCEL)
- Career and Technical Education (CTE) Pathway
- Advanced International Certificate of Education (AICE) curriculum
- International Baccalaureate (IB) Diploma curriculum

What are the state assessment requirements?

Students must pass the following statewide assessments:

- Grade 10 English Language Arts (ELA) or a concordant score
- Algebra 1 end-of-course (EOC) or a comparative score.

Refer to [Graduation Requirements for Florida's Statewide Assessments](#) for concordant and comparative scores.

Students enrolled in the following courses must participate in the corresponding EOC assessment, which constitutes 30 percent of the final course grade+:

- Algebra 1
- Geometry
- Biology 1
- U.S. History

+Special note: Thirty percent not applicable if the student is not enrolled in the course but passed the EOC (through the credit acceleration program [CAP]).

What is the difference between the 18-credit ACCEL option and the 24-credit option?

- 3 elective credits instead of 8
- Physical Education is not required
- Online course is not required

What is the difference between the CTE Pathway option and the 24-credit option?

- At least 18 credits are required
- 4 elective credits instead of 8
 - 2 credits in CTE courses, must result in program completion and industry certification
 - 2 credits in work-based learning programs or up to 2 elective credits, including financial literacy
- Physical Education is not required
- Fine and Performing Arts, Speech and Debate or Practical Arts is not required
- Online course is not required

24-Credit Standard Diploma

4 Credits ELA

- ELA 1, 2, 3, 4
- ELA honors, Advanced Placement (AP), AICE, IB and dual enrollment courses may satisfy this requirement

4 Credits Mathematics*

- One of which must be Algebra 1 and one of which must be Geometry
- Industry Certifications that lead to college credit may substitute for up to two mathematics credits (except for Algebra 1 and Geometry)
- An identified computer science** credit may substitute for up to one mathematics credit (except for Algebra 1 and Geometry)

3 Credits Science

- One of which must be Biology 1, two of which must be equally rigorous science courses
- Two of the three required course credits must have a laboratory component
- Industry Certifications that lead to college credit may substitute for up to one science credit (except for Biology 1)
- An identified computer science** course may substitute for up to one science credit (except for Biology 1)

3 Credits Social Studies

- 1 credit in World History
- 1 credit in U.S. History
- 0.5 credit in U.S. Government
- 0.5 credit in Economics

1 Credit Fine and Performing Arts, Speech and Debate, or Practical Arts*

1 Credit Physical Education*

- To include the integration of health

8 Elective Credits

1 Online Course

- Students must meet the state assessment requirements
- Students must earn a 2.0 grade-point average (GPA) on a 4.0 scale for all cohort years

* Eligible courses are specified in the [Florida Course Code Directory](#).

**A computer science credit may not be used to substitute for both a mathematics and science credit.

Scholar Diploma Designation

In addition to meeting the 24-credit standard high school diploma requirements, a student must meet all of the following requirements:

- Earn 1 credit in Algebra 2 or an equally rigorous course
- Earn 1 credit in Statistics or an equally rigorous mathematics course
- Pass the Biology 1 EOC*
- Earn 1 credit in Chemistry or Physics
- Earn 1 credit in a course equally rigorous to Chemistry or Physics
- Pass the U.S. History EOC*
- Earn 2 credits in the same World Language
- Earn at least 1 credit in an AP, IB, AICE or a dual enrollment course

*A student is exempt from the Biology 1 or U.S. History EOC assessment if the student is enrolled in an AP, IB or AICE Biology 1 or U.S. History course; takes the respective AP, IB or AICE assessment; and earns the minimum score to earn college credit.

Merit Diploma Designation

- Meet the standard high school diploma requirements
- Attain one or more [industry certifications](#) from the list established (per s. 1003.492, F.S.)

What are the additional graduation options for students with disabilities ?

Two additional options are available only to students with disabilities. Both allow students to substitute a CTE course with related content for one credit in ELA 4, mathematics, science and social studies (excluding Algebra 1, Geometry, Biology 1 and U.S. History). The two options are as follows:

- Students with significant cognitive disabilities may earn credits via access courses and be assessed via an alternate assessment.
- Students who choose the academic and employment option must earn at least 0.5 credit via paid employment.

What is the Credit Acceleration Program (CAP)?

The CAP allows a student to earn high school credit if the student passes an AP examination, a College Level Examination Program (CLEP) or a statewide course assessment without enrollment in the course. The courses include:

- Algebra 1
- Geometry
- Biology 1
- U.S. History

State University System (SUS)

Admission into Florida's public universities is competitive. Prospective students should complete a rigorous course of study in high school and apply to more than one university to increase their chance for acceptance. To qualify to enter one of Florida's public universities, a first-time-in-college student must meet the following minimum requirements (credit earned by industry certification does not count for SUS admission):

- High school graduation with a standard diploma, a minimum of a 2.5 GPA, and admission test scores meeting minimum college-ready test scores per the [Board of Governors \(BOG\) Regulation 6.008](#)
- 16 credits of approved college preparatory academic courses per [BOG Regulation 6.002](#)
- 4 English (3 with substantial writing)
- 4 Mathematics (Algebra 1 level and above)
- 3 Natural Science (2 with substantial lab)
- 3 Social Science
- 2 World Language (sequential, in the same language or other equivalents)
- 2 approved electives

[State University System of Florida](#)

The Florida College System

The 28 colleges of the Florida College System serve nearly 800,000 students. Colleges offer affordable, stackable, workforce credentials including certificate programs, associate in science degrees and associate in arts degrees, which transfer to a bachelor's degree program. Many colleges also offer workforce bachelor's degree programs in areas of high demand. All Florida College System institutions have open-door admissions for students who earned a standard high school diploma or an equivalent diploma or successfully earned college credit.

[Florida College System.](#)

Career and Technical Colleges and Centers

Florida also offers students 49 accredited career and technical colleges or centers throughout the state, which provide the education and certification necessary to work in a particular career or technical field. Programs are flexible for students and provide industry-specific education and training for a wide variety of occupations.

[Career and Technical Education Directors](#)

Where is information on financial aid located?

The Florida Department of Education's Office of Student Financial Assistance administers a variety of postsecondary educational state-funded grants and scholarships, including the [Florida Bright Futures Scholarship Program](#). For more information or to be added to our event notification list, please contact Jane Kaufman, System of Care Family Coordinator by phone at (863) 462-5125 Ext 135 or by email at jane.kaufman@okee.k12.fl.us

Mental Health System of Care Project

The Okeechobee County School District in conjunction with the Southeast Florida Behavioral Health Network host the Children's Mental Health System of Care Project (CMH SOC). The CMH SOC is not mental health treatment, rather it is a local system being developed by a group of community stakeholders to address the mental and behavioral health needs of our children. The model incorporates four basic principles: family-driven care, youth-guided care, cultural and linguistic competence and community-based services.

Family-driven care means that the approach to engaging families is strengths based and families who have lived experience are an integral part of the governing body. Youth-guided care guides the individual's voice in helping them reach their goals and welcoming youth with lived experience to participate in policy and program development. Cultural and linguistic competence encompasses a set of behaviors, attitudes and policies that come together in a system to work effectively in multi-cultural situations, with the ability to communicate in a way that can be easily understood by a diverse audience. Community-Based service offer an integrated web of natural supports to compliment clinical services. Additionally this approach is goal oriented and offers a wide array of services and supports in the community.

The CMHSOC project staff work to provide education to families and youth who need additional resources for mental and behavioral health needs. If you would like more information about parent workshops contact Jane Kaufman at 462-5125 ext. 135. If you are a youth between the ages of 14-25, and you would like more information or would like to participate in activities, please contact the Local Youth Coordinator at 462-5125 ext. 119.

If you would like more information, or would like to become a part of our governing body, we would love to have your input. Please contact Leah D. Suarez at (863) 462-5000 ext. 1039 or via email: leah.suarez@okee.k12.fl.us.

Earning College Credit in High School

Students may earn college credit in high school through any of the following programs for which they are eligible:

Advanced Placement

Advanced Placement (AP) is the enrollment of an eligible secondary student in a course offered by the Advanced Placement Program administered by the College Board. Postsecondary credit for an AP course may be awarded. Students should consult their college requirements/policies. Students who are enrolled in an Advanced Placement course and earn the minimum score necessary to earn college credit are not required to take the state end-of-course assessment for that subject.

Credit Acceleration Program (CAP)

The purpose of the Credit Acceleration Program (CAP) is to allow a secondary student to earn high school credit in courses required for high school graduation through passage of an end of course assessment in Algebra I, Biology, Geometry, and/or United States History or an Advanced Placement or College Level Examination Program (CLEP) test. Notwithstanding *Florida Statutes 1003.436*, definition of "credit", a school district shall award course credit to a student who is not enrolled in the course, or who has not completed the course, if the student attains a passing score on the corresponding end of course assessment, Advanced Placement exam or CLEP test. The district shall permit a public school or home education student who is not enrolled in the course, or who has not completed the course, to take the assessment or exam during the regular administration of the assessment or exam.

Dual Enrollment

The dual enrollment program is defined as the enrollment of an eligible secondary student or home education student in a postsecondary course creditable toward high school completion and a career certificate or an associate or baccalaureate degree. The School District of Okeechobee County and Indian River State College operate under a Dual Enrollment Contract. College credit and vocational certificate courses may be offered to high school students pending the approval of the high school principal. Students enrolled in an approved dual enrollment course are exempt from the payment of registration, tuition, and laboratory fees

a. Requirements for students to be admitted in a dual enrollment course:

(1) Students must have completed at least one semester of 9th grade and have earned a minimum of 4 high school credits, and a cumulative unweighted

Earning College Credit in High School (cont.)

unweighted high school grade point average of 3.0 or better and/or the approval of their high school principal.

(2) Students must meet the same entrance requirements as students desiring to enroll in the same courses on the college campus and have the approval of the high school principal.

(3) Dual enrollment course offerings are limited to approved courses at Indian River State College. Students must receive prior approval from their principal to enroll. Courses not taken at IRSC are not covered by the Dual Enrollment Contract and therefore are not eligible for tuition and instructional materials reimbursement by OCSB. This includes talent identification programs, college summer programs, summer camps and courses at schools other than IRSC.

(4) College ready scores are required for all students participating in dual enrollment. Grades earned in dual enrollment courses will carry the same grade weight as Advanced Placement courses when grade point averages are calculated.

(5) Any college credit course comprising 3 credits or higher and/or any vocational clock hour course comprising 75 hours or higher that is listed in the State Common Course Numbering System (SCNS) for postsecondary credit can be considered for Dual Enrollment. Courses that meet high school graduation requirements are listed in the DUAL ENROLLMENT COURSE EQUIVALENCY LIST. All high schools shall accept these postsecondary courses toward meeting the requirements of Section 1003.43, F.S.

Early College Admissions (Full-Time College)

Students may enter college full time during their senior year if the following criteria are met:

- The student must successfully complete the 11th grade with enough credits to be classified as a senior.
- The student must have achieved at least a 3.0 cumulative unweighted grade point average during his/her sophomore and junior year.
- The student must have the approval of the high school principal.
- Students must meet the same entrance requirements as students desiring to enroll in the same courses on the college campus, have earned a college-ready score as indicated above, and have the approval of the high school principal.
- Students entering the Early College Admission Program may earn a high school diploma to be awarded with the student's class at graduation or at a later time based on the following:

- The student must demonstrate mastery of skills measured by state standardized assessments.
- The student must earn sufficient college credit to fulfill the remaining high school graduation requirements (based on three semester hours equaling one-half high school credit).
- The student must maintain at least a 2.0 GPA in college courses.

Okeechobee County Virtual Instruction Programs:

Recent changes in legislation have expanded opportunities for students to include virtual courses as a part of their school schedule. The District School Board of Okeechobee County offers eligible students full and part-time virtual school options each school year with instruction guided by certified educators. Virtual courses are for self-motivated learners who know how to organize their time and see tasks through completion. Parents of students taking virtual courses must be prepared to commit to a schedule of monthly calls with the virtual school online teacher in order to review academic progress. To learn more, please visit <http://www.okee.k12.fl.us/virtual-education> to view more information about virtual school offerings from MOSAIC, MyDistrict Virtual and Florida Virtual School, Connections Learning.

College & Career Planning Services

The Okeechobee High School College and Career Center offers a variety of services for students and families to plan for graduation and college and career success. Starting in 8th grade, students participate in a Career Fair and attend a spring tour of OHS Career and Technical programs. Parents of Freshmen and Sophomores are offered evening scheduling to increase involvement in their student's graduation plan. Dual Enrollment (DE) classes are offered in a variety of academic subjects and career fields. PERT, SAT, and ACT are offered at various times of the year to determine college and career readiness. Sophomores take PSAT in the fall. Juniors take PSAT/NMSQT to enter in the National Merit Scholarship competition. Juniors take SAT School Day in March. All students have access to Khan Academy for free SAT test prep. OHS hosts College Fair Day and Career Day in the fall and Financial Aid Night in January. FAFSA Nights occur frequently for Seniors and their parents to assist with the Federal Student Aid application. The ASVAB (Military) test is given twice a year. Contact the College and Career Center in the Guidance office for more information.

Career Education

All secondary schools offer multiple career and technical education programs designed to provide a link between academic performance and the workplace. The goal of Career Education is to provide students with real-world, hands-on instruction that gives meaning and incentive to learn the material presented in academic classes.

For School-to-Career planning, FloridaShines works with the state's 40 colleges and universities and other partners to help you succeed in school and beyond. Check your transcript. Register for an online course. Search libraries across the state. And a whole lot more. All designed to help Florida students shine.

The Florida Virtual Campus (FLVC) is a statewide provider of innovative educational services for Florida's K-20 community. Working collaboratively with the state's 12 public universities, 28 public colleges, K-12 school districts, and other partners, FLVC provides services that help students succeed in school and life after graduation. Those services include:

- An array of academic advising, career readiness, and distance learning resources for students and parents, available through the FloridaShines website
- Support for the academic libraries at the state's public colleges and universities, including a discovery tool used by students and faculty to access library resources and an integrated library management system used by library staff
- Tools and training materials used by academic advisors, distance learning staff, librarians, and other staff at Florida's public colleges and universities to provide services to their students and faculties.

After selecting a career, students at OHS may choose to enroll in the following programs:

- Automotive Service Technology
- Agriculture Machinery Mechanics
- Building Construction Technology
- Animal Science Services
- Digital Design
- Aquaculture
- Nursing Assistant

After completing a program, students may gain additional college credits with Indian River State College through an articulation agreement.

To explore even more careers, upperclassmen may decide to participate in the internship program. After researching an occupation and completing a resume, students have an opportunity to intern in businesses throughout Okeechobee County.

By providing such comprehensive services in career and technical education, students should be able to select a career based on their interests, enroll in courses that provide technical skills needed in that career area, potentially earn college credit, and, most importantly, enter employment well prepared to work.

Educational Choice Is An Option

Controlled Open Enrollment

The School District of Okeechobee allows parents to declare school attendance preferences. This system is called Controlled Open Enrollment. Parents may choose to apply for a "zone waiver" for any school of their choice that has not reached capacity. Zone waivers are approved through a lottery system. For any student who attends a school on a zone waiver, the parents must provide transportation to and from school. For more information about Controlled Open Enrollment, please contact the Student Services Office at 863-462-5000 ext. 1060.

Students may be assigned to the **"alternative school"** if they have been in trouble in the community or need specialized programs.

A parent of a special education student or a student with a 504 plan may request a different public school or receive a scholarship to attend a private school through the **"John McKay Scholarship Program"**. In order to take advantage of this option parents can contact the Exceptional Education Office at (863) 462-5000 Ext. 1055 for more information. You can access information at www.floridaschoolchoice.org.

A parent may choose to enroll their child (grades K-12) in Florida Virtual School internet computer-based public school. Contact the school Counselor for more information.

Parents also have a choice of enrolling their child in a **"Home School Program"**. They are responsible for educating their own child and reporting annually to the superintendent about their progress.

Information on the Home Education Program is available from the county office (863) 462-5000 Ext. 1060.

English Language Learners (ELLs)

Students identified as English Language Learners are served according to provisions of the Okeechobee County School Board District ELL Plan. This plan establishes procedures for identification, assessment, comprehensive instruction, parental involvement and personnel training regarding services to students with limited English proficiency. Copies of the District ELL Plan are available at the School Board Office, room 306. In addition, parents/guardians of ELL students are encouraged to participate in our District Parent Leadership Council. For more information on our ELL program contact 462-5000, extension 1060.

School Based Intervention and Support

Every child's path to a successful goal of a diploma is not always the same. Some children may need additional supports to master that goal. During your child's school years, you will be meeting with the staff of your child's school to discuss the specific issues and educational needs of your child. A teacher along with the school counselor may request to have a team of professionals meet to discuss your child's academic, communication, behavior, or emotional concerns. This team is called the School Based Intervention Team (S-BIT). The team reviews your child's records and progress and assists in identifying and analyzing concerns. Interventions (or tiered levels) are recommended by the team and a plan to monitor your child's response and determine the level of progress is developed. The team regularly reviews your child's response to interventions. This is known as Multi-Tiered Systems of Support (MTSS). MTSS addresses academic and behavioral concerns through Positive Behavior Intervention Support (PBIS). Positive Behavior Support is aimed at building effective school-wide environments in which positive behavior is more effective than problem behavior so academic success can be achieved. Contact the School Counselor for more information. Sometimes a student, despite appropriate interventions, continues to exhibit academic and/or behavioral concerns. In those cases the schools S-BIT may invite the school psychologist to work with the team in developing an evaluation plan. The evaluation is to assist the S-BIT in educational planning and programming and to help determine if your child is eligible for special education services provided by the Individuals with Disabilities Education Information Act. (IDEIA). Each school in our district, in addition to a counselor, has a school psychologist, ESE Resource Specialist and behavior intervention specialist that you may contact. This person will help you with any concerns or questions regarding the interventions, referral for testing process, the actual testing or ESE programs and services your child is involved in. Contact the ESE office (863) 462-5000 Ext. 1055. In addition to tiered interventions through MTSS, there is a district social worker and three mental health counselors available to all students needing support for social and/or mental health counseling needs. If interested in these services, contact your child's school counselor to make a referral.

If your child needs extra help in school...

He/she may need to be in a special program. You have the right under federal law called *Individuals with Disabilities Education Information Act (IDEIA)* to be a part of the planning of any program that is going to be used to meet your child's special needs.

- You have the right to ask for the school to test your child for free if you think he may need special educational services, or if the services he is already receiving are not working.
- You have the right to request a free, independent evaluation of your child if you disagree with the results of the school's test.
- You have the right to participate in the development of your child's Individual Educational Plan (IEP).
- You have the right to be represented by an attorney or advocate if you disagree with the educational program provided to your child.

- You and your child have certain rights that concern access to information about your child, freedom of speech and special education program.

If you have questions about other rights given to you by this act contact the Exceptional Student Education office at (863) 462-5000 Ext. 1055.

If a child is exhibiting signs of boredom and has high grades or test scores, they may need the enrichment class for *gifted* students. The child will need to be referred for evaluation and must meet criteria set out by the state. If the team determines they need and qualify for the program, an educational plan (EP) that addresses their needs will be written. The child receives instruction and enrichment in research skills and higher order thinking skills.

What Are Accommodations

Parents are a part of the process of planning and delivering services to their child. You will want to work with the school by giving information, asking questions, making suggestions and helping to make decisions.

Once a child is determined eligible for special services, an **Individual Educational Plan (IEP)** is developed.

The plan tells you, the teachers and other school staff which special services will be provided to your child. Your child may need changes in teaching or testing in order to make progress and demonstrate what he or she has learned.

Accommodations are changes in how a child is taught or tested such as books on tape, extra time for tests or having a behavior contract. The accommodations could include:

- Different presentation-in large print, Braille, signed or oral presentation
- Different responding-writing in test booklet, separate paper, Braille or verbally answering questions
- Different scheduling-use of extended time, take the test over several brief sessions
- Different setting-in small groups, individually or in a specialized classroom to

accommodate special lighting or equipment.

- Different assistive devices-calculators, technology devices, or visual, auditory magnification devices.

Other unique accommodations may be approved as long as they have been regularly used by the student for classroom instruction and must not alter the content of the test.

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against any person with a disability by the school district. It requires the district to provide equal access to all programs. There are procedural safeguards regarding the identification, evaluation or educational placement of eligible students with disabilities. Any decision may be challenged and all records may be examined by the parent or guardian. In the event a parent requests an impartial hearing they may contact the 504 coordinator and ESE Director at (863) 462-5000 ext. 1055. An impartial hearing allows for participation by the student's parent or guardian and representation by counsel. In addition, if the parent or guardian disagrees with the hearing decision there is a review procedure in place. Written procedural safeguards are available from the 504 coordinator.
