Dear Parent or Guardian:

Legislation has expanded opportunities for students to include virtual courses as a part of their school schedule. The District School Board of Okeechobee County offers on-line courses guided by certified educators for 6-12 grades in Okeechobee Virtual School or K-12 grades in My District Virtual.

Virtual courses are for self-motivated learners who know how to organize their time and see tasks through to completion. Parents of students taking virtual courses must be prepared to commit to a schedule of monthly calls with the virtual school teacher(s) in order to review academic progress. Call 462-5000 ext.1060 for more information.

MyDistrict Virtual School (MDVS) is the name of the online learning option for K-12 students provided by the North East Florida Educational Consortium (NEFEC). Students in grades K-12 who are approved for virtual instruction by their districts may enroll in virtual education courses either full-time or part-time, provided they meet the state [eligibility requirements](#) outlined in F.S. 1002.45.
