IV. Request to Address the Board

Curtis Tyson

Wrestling Room/Okeechobee High School

Mr. Tyson distributed a booklet highlighting the wrestling club participants and letters of support for the wrestling program. Participants of club wrestling range from PreSchool age through high school. Club currently practices wherever they can find space, moving from place to place in schools and in the community. Mr. Tyson stated that moving from location to location has caused club to loose members. Club supports and prepares participants for the high school wrestling program. Since wrestling lost their designated space at the high school, no student has been a wrestling state champion. The former wrestling space at the high school now has another use. Mr. Tyson proposed building a designated space on the grounds of OHS and naming it in memory of Coach Kingery, a former OHS wrestling coach. He said that he met with a local builder and has a rough estimate for a building, he spoke with other potential donors/sponsors. He stated that club would provide support for the building and supplies with fund raisers. The Board thanked him for his presentation.

A. SUPERINTENDENT

- Thursday, May 30, Baccalaureate

- Extraordinary Exemption for one student was reported at the April Board meeting. That exemption has been converted to a properly documented medical complexity that will not participate in the District’s assessment program.

The District is seeking an additional quote from the consultant that assisted Indian River County, a meeting is scheduled for Friday. The consultant could be paid with 2016-17 District Advisory funds, funds are set aside for school improvement. The Strategic Plan fits that requirement. The District Advisory Council would have to approve the expense. Member Arnold stated that the Board needs to make every effort to give students every opportunity to attend school in an A District. The District needs to set the bar high and have everyone move forward. Mr. Kenworthy will gather information to bring back to the Board.

B. SCHOOL BOARD MEMBERS

- Member Jahner asked for an update on digitalizing Board meetings and documents. The District viewed a demonstration by Board Docs, used by many school districts. The District had a preliminary conversation with the company that services the County Commission and is scheduling a demonstration.
