2. Social exclusion;
3. Threat;
4. Intimidation;

5. Stalking;
6. Physical violence;

The Okeechobee County School District expects students to conduct themselves as appropriate for their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of school facilities and equipment.

B. The District believes that standards for student behavior must be set cooperatively through interaction among the students, parents/legal guardians, staff, and community members producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for District and community property on the part of students, staff, and community members. Because students learn by example, school administrators, faculty, staff, and volunteers will demonstrate appropriate behavior, treat others with civility and respect, and refuse to tolerate bullying or harassment.
